# Adult/Open Division Summer Program

July 3<sup>rd</sup> – August 20<sup>th</sup>

*Directors: Richard Cammack & Zola Dishong*

## Contra Costa Ballet Centre

The Adult/Open Division is designed for adult and teenage students who wish to begin or continue classical ballet training for health, recreation, self-enrichment or vocation. Students may join classes at any time throughout the year, on a drop-in basis, and no audition is necessary. The program offers a wide variety of day and evening classes for those interested in the many physical benefits of dance training. Classes emphasize overall body conditioning and encourage an aesthetic appreciation of dance and its related arts.

### **CURRICULUM**

#### ***Ballet***

Ballet classes are offered mornings and evenings at four progressive levels of achievement:

*Beginning Ballet* (0-1 years of recent ballet experience)

*Beginning-Intermediate Ballet* (1-2 years of recent ballet experience)

*Intermediate Ballet* (2-4 years of recent ballet experience)

*Advanced Ballet* (5+ years of recent ballet experience)

Please note: the above are *guidelines* to assist in choosing a student's most-appropriate class level. Individual progress will vary. Many students returning to ballet after a hiatus find the beginning-intermediate ballet class to be a comfortable resuming point.

#### ***Physical Conditioning***

A strength and stretch class created from a dancer's perspective that features non-impact movement integrating yoga, Pilates and floor barre techniques. It is designed to increase flexibility and core strength.

### **TUITION**

Class tuition may be paid per class or on a discounted, class-card basis. Class cards are valid for six weeks from the date of purchase. There are no extensions or refunds. There is an initial registration fee of \$15.00 required for new students purchasing the discounted class cards.
