

PARENTS' OBSERVATION SCHEDULE

Spring 2018

Parents, you are invited to watch your child's class during our upcoming Parents' Observation. This is one of two classroom observations scheduled during the school year; we hope that you can join us to encourage your child's progress!

Most Parents' Observation classes are split over two dates, assigned alphabetically by student's last name, per the schedule below. Students are to attend class as usual on both observation dates. As we strive to maintain a focused classroom environment, we ask that parents please stay for the entire class period and consider alternative care for young siblings.

Please remember that there are no make-up classes allowed on Parents' Observation days.
